FORT WORTH RESIDENT CLAIMS SECOND $1 MILLION POWERBALL® TICKET FROM HISTORIC FEB. 11 DRAWING

Jackpot winner still unknown

(AUSTIN) – The second of three Powerball® second-tier prizewinning tickets worth $1 million sold in Texas for Feb. 11 jackpot drawing has been claimed. Minh Quang Tran of Fort Worth purchased the ticket at the Bridgewood Chevron and Fast Food at 1051 Bridgewood Drive in Fort Worth.

Tran’s Quick Pick ticket matched all five of the white ball numbers drawn (11-13-25-39-54), but not the red Powerball number (19) for the Feb. 11 drawing for the $564.1 million jackpot. The claimant requested minimal publicity.

The Texas Powerball jackpot winner has not yet come forward to claim their share of the $564.1 million prize from the Feb. 11 drawing. Plano resident Harold Laufraben claimed a second-tier winning ticket worth $1,000,008 purchased in Euless, and another $1 million second-tier ticket sold at the Star Stop 59 at 2211 N. Freeway in Houston remains unclaimed for the Feb. 11 drawing. For selling the jackpot winning ticket, the Appletree Food Mart located at 893 E. Princeton in Princeton will receive a $1 million retailer bonus.

Powerball Players win the jackpot by matching the five white ball numbers (1-59) and the red Powerball number (1-35). There are eight other ways to win non-jackpot prizes ranging from $4 to $1 million or up to $2 million if the ticket includes Power Play®. The overall odds of winning a prize in the game are approximately one in 31. The overall odds of winning the jackpot prize are one in 175,223,510.
