THE NUMBERS ARE IN! WORLD RECORD JACKPOT GENERATES \$266.7 MILLION IN TEXAS POWERBALL® AND POWER PLAY® SALES

(AUSTIN) – Record sales for the roll up to the Jan. 13 Powerball drawing for a \$1,586,400,000 jackpot, the largest lottery jackpot in world history, generated \$266.7 million in sales in Texas, resulting in \$106.7 million for Texas' Foundation School Fund.

“While there was no jackpot winner in Texas for last week's world record Powerball drawing, Texas public schools were big winners,” said Gary Grief, chair of the Powerball game and executive director of the Texas Lottery.

National sales for the Powerball jackpot created a windfall of funding for important causes supported by state lotteries across the country. Total national Powerball draw sales for the roll cycle from Nov. 5 to Jan. 13 were \$3.358 billion resulting in \$1.3 billion in revenue for causes including college scholarships, education, veterans, senior citizens and the environment.

Texas Powerball players and our lottery retailers also benefited from historic sales. Powerball sales from Nov. 5 to Jan. 13 culminated in \$49 million in prizes to players and \$13 million in retailer commissions. For the Jan. 13 drawing, nationally, there were 26,110,643 non-jackpot prizewinning tickets sold and Texas sold 2,289,864 non-jackpot prizewinning tickets for the Jan. 13 drawing.

“Last fiscal year the Texas Lottery generated record revenue for the state and with sales from this world record jackpot, we are already positioned to break last year's record,” said Grief.

WORLD RECORD RECAP

Jackpot winning tickets for the Jan. 13 drawing were sold in California, Florida and Tennessee.

The jackpot's final cash value was \$983,505,233 and the winning numbers were 4-8-19-27-34 and Powerball 10.

Texas saw its best hour of Powerball sales in the lottery's 24 year history on Jan. 13 from 6 p.m. to 7 p.m. with \$8.6 million in sales.

Four lucky Texans missed winning the Jan. 13 jackpot by one number but matched five of the six numbers drawn winning second-tier prizes of \$1 million or \$2 million.
