“We hope to celebrate the Texas Lottery player who became a \$1 million prize winner during the historic July 29, 2022 Mega Millions drawing, which featured an advertised \$1.28 billion jackpot – the second largest in game history,” said Gary Grief, executive director of the Texas Lottery. “We encourage our Mega Millions players to take another look at their tickets, check the numbers again, and if your numbers match, sign the back of the ticket before claiming your prize at a Texas Lottery claim center.”

A ticket holder forfeits any claim to a prize for a draw game after the expiration of the 180th day following the draw date. The deadline may be extended for a period of time for certain eligible military personnel. Unclaimed prizes revert back to the state for programs authorized by the Texas Legislature.

Another winning ticket worth \$1 million for the same drawing was sold at RaceTrac #099, located at 1100 W. Park Blvd., in Plano and was [recently claimed by a Plano resident](#).
