- Experience with Oracle PL/SQL is preferred.
- Experience with Agile Software Development practices is preferred.
- Experience with Java is preferred.
- Experience with Jasper Reports/iReports is preferred.
- Experience with batch scripting using PERL is preferred.
- Microsoft Certified Solution Developer (MCS D) or Microsoft Certified Professional Developer (MCPD) in Microsoft .Net is preferred.
- Willingness to work irregular hours, including evenings, weekends, and holidays and travel for work-related purposes as required.

Knowledge, Skills, and Abilities:

- Knowledge of principles, practices and techniques of efficient computer programming and systems analysis; of computer operations procedures and systems; and of computer programming languages.

- Skill in the use of computer equipment and in modifying programs for computer applications.
- Ability to process information logically; to design programs and systems logic; to prepare program specifications; to code, test, and debug computer programs; and to interpret technical information relating to computer programming and other areas of data processing.
- Ability to interpret State Lottery Act, Lottery Rules, Bingo Enabling Act, Bingo Rules and Regulations.
- Ability to work within a team environment to produce high-quality applications.
- Ability to communicate effectively.

Physical and Mental Requirements:

- Must be able to stand or sit for extended periods of time and operate standard office equipment and computer software.

Essential Job Functions:

- Performs and oversees highly complex coding, testing, and debugging of programs, applications, and reviews, and evaluates programming efforts in relation to systems requirements.
- Analyzes, reviews, and revises programs to increase the operating efficiency or to adapt new procedures.
- Develops standards and procedures for programming staff.
- Provides technical advice and assistance in matters related to programming activities.
- May prepare instructions and procedures for use during implementation of software modifications, system modifications, and/or new products.
- Performs related work as assigned.

RELATED MILITARY OCCUPATIONAL SPECIALTY CODES:
