

# Winning!

News about winners, scratch-off prizes,  
new games and more!

## What Happens If You Win?

Have you ever wondered what would happen if you “hit the jackpot” on a Texas Lottery® game? If you were to unveil a big prize on a scratch-off ticket or match the numbers on an on-line game, do you know how you would claim your winnings? (And by “big prize,” we mean a prize that is worth \$1 million or more, or is to be paid as an annuity.)

The first step is for a potential claimant to call in and speak with a Claim Center Specialist or a Product Specialist in order to conduct an “initial inquiry” on the ticket. From this point on, the Product Specialist will be the claimant’s primary point of contact.

“We’re here to walk them through the whole process, which can be a life-changing one for the claimant,” said On-line Product Specialist René McCoy. “They’re almost always excited and/or nervous, but we stick with them, and obviously there’s a pretty good payoff at the end!”

The next step is to schedule a time for the claimant to come to Austin to have the ticket validated and claim their prize. Sometimes, that means the next day, or the claimant may wait weeks. Many claimants use this time to seek legal and/or financial advice, and many form a legal entity rather than claim the prize as an individual.

Another decision claimants have to make is what level of publicity they’re willing to do. It’s the commission’s policy to release the name of the claimant, their hometown, the amount of the prize, the name of the game and retailer information. It’s up to the claimant to decide if they want to provide the public with more information.

*Curtis Wayne Hanson, trustee for the Hanson Family Trust, performs a few magic tricks for Texas Lottery employees after claiming a \$2.4 million prize in the Monthly Bonus scratch-off game.*

# Winners!

## Spotlight

There are some new multi-millionaires in Texas! The **Crump, Allen & Lewis General Partnership**, Ronald Crump, general partner, of **Amarillo**, claimed the January 9 \$122 million *Mega Millions*® jackpot. The Cash Value Option amount of the advertised jackpot was \$73,572,690—the largest *Mega Millions* prize ever claimed in Texas!

Ronald Crump, along with his wife, Clara; Donald Crump; Kenneth Crump and his wife, Peggy; Kelvin Allen and his wife, Cindy Crump Allen; Dean Crump and his wife, Nicki; and Rita and Gary Lewis are all related, at least by marriage, if not by blood.

The morning after the drawing, Ronald Crump was reading his local newspaper and checked the numbers on the two *Mega Millions* Quick Pick tickets he had purchased.

“For some reason, the paper did not have the Mega Ball number, so I called the 800-number to get the information,” he said. “When I hung up the phone, I must have walked around my kitchen table 10 times holding that ticket and just looking at it. When I called the rest of the family to tell them what happened, I got a lot of ‘uh-huhs,’ and ‘yeah, right’ thrown back at me,” he said. “Still, I did convince them to come over that afternoon.”

As far as the plans that members of the partnership have for their winnings, Clara knew right away what they would do.

“This is for our kids and grand-kids,” she said. “Now they won’t have to struggle to go to college. We plan to help our church, too.”

Ronald Crump purchased his winning ticket at Taylor Petro Co., Inc. #80, 3400 Coulter Dr. in Amarillo.

# What Happens If You Win?

(continued from front cover)

The actual processing takes about half a day. The claimants, who often bring family or other guests, first meet with their Product Specialist, who then explains what the claimant can expect for the rest of the day.

This is when all the preparatory work finally pays off as the claimant meets with staff from all over the agency to discuss options, go over paperwork and have their ticket validated. After all these steps are completed, the claimant may be called a winner!

The winner then meets with the executive director or another Texas Lottery representative to receive their ceremonial check. If however, the winner has agreed to a news conference, there is one more task to complete.

At the scheduled time, lottery staff is invited down to watch the check presentation/news conference. It's a great culmination to all of the hard work and cooperation of so many Texas Lottery employees... and we're always excited to meet Texas' newest millionaire!

The Hanson Family Trust, **Curtis Wayne Hanson**, trustee, collected the top prize of \$10,000 per month for 20 years in the *Monthly Bonus* scratch-off game. Hanson, a resident of **Gallatin**, said

"I called my wife on the phone and told her I had something very serious to tell her," he said.

"When I told her what it was, she didn't believe me, she kept saying, 'Stop teasing me,' but she paid attention."

"My husband's always kidding and joking, and he's known for it, so, no, I didn't believe him," said Darnell Hanson. "He made me guess the amount he'd won, and as I kept going up from \$100 to \$500 to \$1,000, then from that to \$5,000, he said, 'Try \$10,000 a month for 20 years.'"

Hanson says the funds in the trust will be used to plan for the lives of his children and grandchildren. He also plans to help out his church. Hanson bought the ticket at the Thompson Oil/Fas-Fil #1, located at 1517 E. Rusk in Jacksonville.

A plan that he devised about five years ago for buying on-line Texas Lottery tickets has paid off for **Ronald Gifford** of **Arlington**. Back then, he decided he would

create a list of numbers he was going to use every time he wanted to buy *Cash Five*® or *Texas Two Step*® tickets, his favorite on-line games.

“I went through the frequency charts on the Texas Lottery Web site and came up with my own list of numbers to play,” Gifford said. “I’ve been playing

them ever since and they have paid off.” Gifford won a prize of \$15,041 in the December 8 *Cash Five* drawing.

“I checked my numbers right before my wife and I went out to breakfast,” he said. “I told her we were going to have more than enough money to pay for breakfast. Then, I showed her the ticket and we both just stood there shaking.” Gifford took his family to dinner that night to celebrate the win.

Gifford purchased the tickets at Texas Food, 1101 California Ln., in Arlington.

“I really like playing the *Sizzlin’ Sevens* scratch-off game,” said **Jessica M. Welty** of **Placedo**. And she has good reason. Welty won \$700 on a *Sizzlin’ Sevens* ticket, which made her Christmas all the merrier.

“I was sitting in my vehicle on Christmas Eve with my husband,” Welty said. “We were driving home from Houston. I started yelling with joy when I scratched the very last part of the ticket!”

Last October, Welty won \$350 on another *Sizzlin’ Sevens* ticket. No wonder she says the first ticket she would buy with her winnings would probably be another *Sizzlin’ Sevens*!

Welty said she planned to save the money for a down payment for a house. She purchased her ticket at TNW Shell #21 located at 3535 FM 726 Rd. in Richmond.

**Ernest Delapaz** of **Hockley** was sitting in the parking lot of the store where he had just bought a *Break the Bank* ticket when he scratched it and uncovered a \$7,500 prize. Needless to say, Delapaz was excited.

“I jumped out of my truck and ran inside and gave the cashier a hug, and told her that I was a winner,” Delapaz said. “Then I called everyone that I know!”

Delapaz had special plans for his winnings. First, he planned to buy his girlfriend an engagement ring. Then, he was going to go hunting. Delapaz bought his

lucky ticket at the Spring Creek Country Store located at 20022 FM 2920 in Hockley.

### DO YOU THINK YOU WON?

If you believe you are holding any of the following:

- a possible *Lotto Texas* or *Mega Millions* jackpot ticket
- a possible winning on-line ticket valued at \$1 million and above
- a possible winning instant ticket paid as an annuity
- a possible winning instant ticket valued at \$1 million and above

Please call 1-800-37-LOTTO prior to traveling to Austin for processing.

NOTICE: A scratch-off game may continue to be sold even when all the top prizes have been claimed. For current information on prizes remaining in a scratch-off game, call 1-800-37-LOTTO. Must be 18 years of age or older to purchase a lottery ticket. The number of prizes in a game is approximate based on the number of tickets ordered. The number of actual prizes available in a game may vary based on number of tickets manufactured, testing, distribution, sales and number of prizes claimed.

See your local Texas Lottery retailer for more details or visit the Texas Lottery Commission's Web site at [www.txlottery.org](http://www.txlottery.org).
