Conference Registration	La Fleur's Magazine is a premier trade publication reporting on the worldwide lottery industry and is used by government lottery executives, industry suppliers, and government officials. Information related to the Texas Lottery's line of business will be covered during this 4-day conference through presentations, interactive breaks, lottery executive panels, and private lottery marketer workshops. LeFleur's organizes two conferences each year. The November 2014 conference is being held in Austin, Texas and will be co-hosted by the Texas Lottery. Attendance at this locally held conference provides an excellent training opportunity for Texas Lottery employees who might otherwise be unable to attend.
Promotional Event	Participation in this event allows the Texas Lottery to promote and educate the public on Lottery products in areas of the state that have limited promotional opportunities. TLC attendance is based on location, participation, and time of the event.

Repair Services	The Texas Lottery Commission (TLC) leases the UPS through a DIR contract with Austin Ribbon & Computer, Inc. This equipment is a critical component of the agency Business Continuity Plan. During the recent remodel of the drawing studio by the TLC, the UPS system became inoperable and requires repair which is not covered under the current UPS lease contract. The agency is requesting vendor, Tripp-Lite, to perform the necessary service call and repairs on the UPS. Tripp-Lite is the authorized service vendor under the current lease and has performed all preventative maintenance throughout lease.
