TEXAS LOTTERY INTRODUCES NEW MOBILE APP

(AUSTIN) – Checking tickets for winners just got easier! The Texas Lottery is introducing a new mobile app that allows players to check their tickets for winning status, access drawing results, enter promotional second-chance drawings and more. The free app is available for download on all iOS and Android devices.

“With more people accessing information through mobile devices, we knew we needed to offer our players greater convenience to the game information they want,” said Gary Grief, executive director of the Texas Lottery.

With the new app, players can:

- Scan and check draw and scratch tickets to see if they have won.
- Create and save their favorite numbers so that a Texas Lottery retailer can scan the QR code and print a ticket for purchase.
- View current jackpot amounts and winning numbers.
- Locate a favorite scratch ticket game or nearest lottery retailer.
- Easily scan tickets to enter promotional second-chance drawings.

Players still must visit Texas Lottery retailers to purchase tickets.
