**TEXAS LOTTERY TO LAUNCH REDESIGNED CASH FIVE® SEPT. 23**

**Refreshed draw game features guaranteed prizes and better overall odds of winning;  
First drawing is Sept. 24**

---

(AUSTIN) – One of the Texas Lottery’s longest-running draw games is getting a redesign. On Sunday, Sept. 23, [Cash Five®](#) will relaunch with a new matrix, better overall odds of winning and guaranteed prizes, including a \$25,000\* top prize. The first drawing with the changes in effect will be Monday, Sept. 24 at 10:12 p.m. CT. The cost to play Cash Five will continue to be \$1.

“We are thrilled to launch a new version of Cash Five that will be entertaining for our players,” said Gary Grief, executive director of the Texas Lottery. “By replacing the pari-mutuel prize structure with guaranteed prizes and giving our players better odds of winning, we anticipate player and retailer interest in Cash Five will rise, leading to higher sales, which most importantly leads to increased revenue for Texas education.”

With the new Cash Five changes, players will choose five numbers from one to 35 (one to 37 in the previous format), or can choose the Quick Pick option to have numbers selected by the terminal. The matrix change improves overall odds of winning from one in eight to one in 7.2. Players can still play up to 12 consecutive Cash Five drawings through the Multi-Draw option. The Advanced Play feature is no longer available.

Players can win guaranteed cash prizes for matching three (\$15 prize), four (\$350 prize) or five numbers (\$25,000\* top prize). For matching two numbers, a player will be awarded a free \$1 Cash Five Quick Pick ticket.

\*In any drawing where the number of top prizewinning plays is greater than three, the top prize shall be paid on a pari-mutuel rather than fixed prize basis and a liability cap of \$75,000 will be divided equally by the number of top prizewinning plays.

Cash Five drawings take place six nights a week, Monday-Saturday at 10:12 p.m. CT. A live [webcast](#) and [results](#) of all Texas Lottery drawings are available at [txlottery.org](http://txlottery.org).

### About the Texas Lottery

Beginning with the first ticket sold in 1992, the Texas Lottery has generated \$28 billion in revenue for the state and distributed \$57 billion in prizes to lottery players. Since 1997, the Texas Lottery has contributed \$22 billion to the Foundation School Fund, which supports public education in Texas. As authorized by the Texas Legislature, certain Texas Lottery revenues benefit state programs including the Fund for Veterans' Assistance. Since the first veterans' themed scratch ticket game was launched in 2009, the Texas Lottery has contributed more than \$100 million for programs supporting Texas veterans.

The Texas Lottery provides several entertaining games for lottery players including Powerball®, Mega Millions®, Lotto Texas®, All or Nothing™, Texas Two Step®, Pick 3™, Daily 4™, Cash Five® and scratch ticket games.
