## **TEXAS LOTTERY TO ADD NEW FIREBALL FEATURE TO PICK 3™ AND DAILY 4™ STARTING APRIL 28**

**New add-on feature provides more chances to win and increased prize amounts**

---

(AUSTIN) – Texas Lottery® players will soon have more chances to win when they play Pick 3™ and Daily 4™ by purchasing [FIREBALL](#), a new add-on feature for both daily draw games. FIREBALL will replace the Sum It Up!® feature starting Sunday, April 28. The first drawings for Pick 3 plus FIREBALL and Daily 4 plus FIREBALL will be Monday, April 29.

“We are excited to refresh Pick 3 and Daily 4 with the launch of the FIREBALL add-on feature,” said Gary Grief, executive director of the Texas Lottery. “FIREBALL will give our players more opportunities to create winning combinations and increase their chances of winning a prize. Pick 3 is one of our longest-running draw games and Daily 4 set a sales record last fiscal year. By introducing FIREBALL, we anticipate player interest for both games will grow, generating higher sales, which most importantly leads to more revenue for Texas education.”

Following each Pick 3 and Daily 4 base game drawing, the Pick 3 FIREBALL and Daily 4 FIREBALL numbers will be drawn separately from a set of 10 balls (0-9). To create FIREBALL prizewinning combinations, the Pick 3 FIREBALL number can be used to replace any one of the three drawn Pick 3 winning numbers, and the Daily 4 FIREBALL number can replace any one of the four drawn Daily 4 winning numbers.

If a player’s selected numbers match any of the FIREBALL prizewinning combinations, the player can win a prize based on their selected Play Type and wager amount, in addition to any base game winnings. Players can also win FIREBALL prize(s) without winning in the base game.

Players must select the FIREBALL option at the time of purchasing a Pick 3 or Daily 4 base game ticket. The cost of the board(s) doubles where the FIREBALL option is chosen. Pick 3 and Daily 4 players will need to use new Pick 3 plus FIREBALL and Daily 4 plus FIREBALL playslips. Players should be advised that the current Pick 3 and Daily 4 playslips will no longer be accepted after the Night drawing on April 27.

Pick 3 and Daily 4 drawings take place four times a day, six days a week (Monday-Saturday) at 10 a.m., 12:27 p.m., 6 p.m. and 10:12 p.m. CT. A live webcast and results of all Texas Lottery drawings are available at [txlottery.org](http://txlottery.org).
