RETAILER SATISFACTION SURVEY

WE WANT TO HEAR FROM YOU

As reported every year in the **Texas Lottery Commission Annual Report** and Comprehensive Business Plan, the positive relationship with our retailers is maintained through the application of consistent licensing standards and exceptional customer service.

As we continue to focus on our core value of "**Customer Responsiveness**," the annual **Retailer Satisfaction Survey** identifies our retailers' level of satisfaction with services provided by the Texas Lottery and Lottery Operator IGT.

The 2022 **Online Retailer Satisfaction Survey** will be implemented in June when we begin sending email communication to retailer owners and contacts. A few short questions will measure your satisfaction with:

- Services provided by the Texas Lottery
- IGT services for sales support, technical assistance and scratch ticket management

Thank you in advance. Your participation will help us identify areas for improvement.
